Established by Citizens of Lake City.

BOARD OF CONTROL

City Offered \$15,000 for State Land and School Equipment, Which Citizens Once Stated Worth \$200,000.

Tallahassee correspondent of The Union, under date of Monday, July 24, gives the following account of meeting of the State Board of Education and the Board of Control, which met in the capital city Monday:

The State Board of Education and Board of Control met in joint session at the executive office at 8 o'clock

Attorney-General Ellis stated to the board that he had received a communication from Boswell & Willard Bartow, asking permission to use the name as attorney-general in a suit they were about to institute to test the constitutionality of the Buckman bill, the grounds for the contest being that the bill embodies more than one subject matter; that the law states the title of the bill shall set forth the substance of the bill and that the bill seeks to deprive the State Board of Education of its vested rights and vests those rights in the joint board, thereby changing the personnel of the State Board of Education.

The joint board located the school building and blind at St. August

A delegation from Lake City was sent and presented a resolution adopted by the city council of Lake City requesting that the State Board of Education convey to a board of trustees named in the resolution the property at Lake City comprising Foster Hall, thirty acres of land and the equipment in lieu of the \$15,000 provided for by the Buckman

bill, to be used for the establishment of a technological institute at Lake City.

Major A. B. Small, Frank Clark of Lake City, and Hon. George W. Wilson and Hon. H. H. Buckman of Jacksonville, appeared before the board advocating the acceptance of Lake City's proposition.

"After considerable discussion the board decided that they would best serve the educational interests of the State and save to the State for educational purposes the values and equipment by accepting the proposition.

"The board by unanimous vote decided to convey the State property to the proposed board of trustees, who are as follows: W. A. Blount, Pensacola; Geo. P. Raney, Tallahassee; Frank Adams, Jasper; J. R. Parrott, Jacksonville; C. A. Carson, Kissimmee; W. L. Palmer, Orlando, and two members to be elected by the city council of Lake City.

"Among the prominent Floridians here to attend this meeting were Frank Adams of Jasper; T. J. Appleyard, R. F. Brother, F. P. Cone, J. C. Sheffield, E. S. Futch, J. E. Ioman and H. C. Bailey of Lake City; Syd L. Carter and Geo. W. Hyde of Gainesville."

ANOTHER FIGHT ON FREE PASSES

Bill Will Again Come Before Present Legislature.

Atlanta, July 25—Interest in the session of the house of representative today will be heightened by the fact that Mr. Hall, of Bibb, will make his motion to reconsider the action of the house in defeating the anti-free pass bill, of which he is the author.

A motion to reconsider is debatable and it will, therefore, to a certain extent reopen the debate on the anti-pass bill. Of course this debate is supposed to be limited to the reasons for and against reconsideration, but such a debate is bound to branch out more or less into reasons why the anti-pass bill should or should not be passed.

There does not appear to be much doubt that the house will vote to reconsider, because a reconsideration requires only a majority of those present and not a constitutional majority. Mr. Hall says he is satisfied that more than a constitutional majority of the house is in favor of the bill, because he has found several who were not present when the vote was taken who will vote for it if it comes up again. Mr. Anderson, of Chatham, leader of the opposition, takes just the other view of the matter, and the same two leaders with their able seconds will probably fight it out again on the floor this morning.

The legislature has four very busy weeks yet before it. The calendar is piled high with general bills, the large majority of which will not get anywhere near to a vote.

The general appropriations bill, the general tax act, both of which must be passed, the new county legislation and a few departmental bills which will demand consideration, are enough to keep the general assembly more than busy during these four weeks, and yet there are many other measures of general importance which will be brought up for consideration as the opportunity arrives.

As a matter of fact, the house will have at least all of the present week for the consideration of any general measures that may come up on the calendar, because neither the appropriations or the tax bill will be ready before the end of the week, and the new county bills will not be reported for at least two weeks yet and perhaps more.

KILLED ON ACCOUNT OF GIRL.

Father and Son Object to Daughter and Sister's Sweetheart.

Roadsboro, Va., July 25—After a joint trial lasting one week the jury in the case of Dr. A. R. Hoback and his son, Fred Hoback, charged with the murder last winter of John R. Jett, at Floyd, Va., late last night returned a verdict acquitting the elder Hoback and finding Fred Hoback guilty of manslaughter, fixing his punishment at eight years in the penitentiary.

Jett was showing attention to a daughter of Dr. Hoback, whose family objected to the match, and when the three men met, Jett drew a knife and young Hoback drew a pistol. In the fight Fred Hoback was cut almost to death by Jett and Jett was shot by Fred Hoback, while the elder Hoback struck Jett on the head.

Jett died immediately. Fred Hoback hovered between life and death for several months. All the parties are prominent in this section.
